Board of Trustees of Nativity Prep Academy of San Diego, Inc.
Conflict of Interest Policy

Trustees are elected to serve Nativity Prep and its constituencies. The men and women who accept this position are expected to carry out their duties in a manner that inspires and ensures the confidence of the school and its broader community.

The Trustees shall exercise the utmost good faith in all transactions touching upon their duties to the organization and its property. In their dealings with and on behalf of the organization, they are held to a strict rule of honest and fair dealing between themselves and the organization. They shall not use their position as Trustees, or knowledge gained therefrom, so that a conflict might arise between the school’s interest and that of any individual Trustee.

A conflict of interest arises in any situation in which a Trustee (and his or her immediate family) is involved in any activity that could adversely affect his or her judgment with respect to the business of the school or otherwise diminish the interest of the organization. When such a conflict arises, the individual with the conflict is expected to disclose in writing the existence of the conflict.
