

Higher Expectations. Deeper Relationships. Better Outcomes.

Dear NPA Family,

We are proud and grateful to conclude the 2024-2025 school year, celebrating the incredible accomplishments of our middle school, high school, and college students. This year marks another milestone in our students' 11-year journey from middle school through college, and we honored their achievements with some of our most beautiful traditions.

One highlight was our annual College Signing Day, where our high school seniors celebrated their college decisions with the entire Nativity Prep community. Thanks to the generous support of The Meigs Family Foundation, we hosted a special dinner and gifts for each of our college-bound students, a duffle bag filled with supplies and snacks to support them in their freshman year.

We also celebrated our middle school students during our annual High School Signing Day. Their future high schools joined us to welcome our students into their new communities, presenting them with school swag. This fall, our graduates will attend the following schools: Cathedral Catholic High School, Crawford High School, Cristo Rey San Diego High School, Francis Parker School, Mater Dei Catholic High School, The Bishop's School, and Steele Canyon.

One of our proudest accomplishments this year was celebrating the college graduation of 16 Nativity Prep graduates. This is a testament to the strength of their determination and the support of our extended school family.

As we look ahead, we are excited to continue growing as a community. We warmly welcome Michael Privett as our new Board President and are pleased to introduce two new board members, Elijah Bonde and Jonathan Benet, whose leadership will help guide us into the future.

We extend our heartfelt thanks to FOCUS for the generous donation to our media room. Thanks to your support, our students are eager to create videos, record podcasts, and deliver presentations using the equipment.

We are deeply grateful for the many blessings we've received this school year.

Thank you,

Xochitl Alvarez
Director of Graduate Support

Continuing the Journey

As one door closes, another will open. It is a time for new beginnings for many of our graduates. College Signing Night celebrates the milestone commitment our seniors are making to their respective colleges—some going as far away as Texas! High School Signing Night fully initiates our 8th Graders into the Graduate Support Program as they prepare to take on the high school world as Nativity Prep graduates. Congratulations to you all on these tremendous accomplishments, keep up the exceptional work!

CLASS OF 2025

On June 13, 2025, Nativity Prep celebrated its 21st middle school graduation, recognizing the Class of 2025 as they embark on their high school journeys. The ceremony served as a reminder that it takes a village to raise people of character, virtue, and love and Nativity is here for it! Never forget that *YOU ARE LOVED*.

Honorary Diplomas

It is our pleasure to honor people in our community who have had a great impact on our organization. This year, we celebrate our JVC volunteer, Ronan Kramer; mentor and tutor, Sang Kang; and librarian, Terri Ventura-Schlosser. Ronan, who was with us for only a year, was a huge part of the GSP team and worked closely with our students, we know he will be missed. Sang has been a part of the Nativity Prep community for over six years. Visiting us at least twice a week, Sang supports our students who need extra attention in math and visits his mentee. Every step is filled with patience and love. Terri has been inspiring a passion for reading in our students for the past five years. Creating a safe and inviting space for our students to decompress, Terri always shows up with a compassionate heart, and for that, we thank you!

F.O.C.U.S.

Our friends at F.O.C.U.S. understand the importance of introducing students to opportunities outside of the classroom setting. Thank you for enhancing our production room with 2 new desktops for our media club to work on engineering their media projects!

Welcome on Board!

We're excited to welcome Elijah and Jonathan as they unite with the Board of Trustees. Elijah joins us from the Diocese of San Diego as an Associate Superintendent of Schools. Formerly known as a Nativity Prep's principal, teacher, coach, mentor, and more! Jonathan joins us from C3 Risk & Insurance Services as a Producer. Jonathan has been a decade-long mentor and coach. Both gentlemen know what it means to lead with integrity and benevolence. As long-time community members, we are thrilled about the meaningful impact they'll bring to our mission!
